LOS ANGELES -- Feminine e-boutique **Boudoir Essentials (BE)** (www.BoudoirEssentials.com) is making this holiday season an affair to remember . From **alluring lingerie** to **sophisticated luxury bedroom toys**, and **sassy stocking stuffers** to **gift kits**, BE is one-stop shopping for romantic gifts that fit every style and budget. A handy **gift-guide** offers visitors inspiration, and BE's **Wish List** feature keeps track of all the sexy treats that catch her eye. She can easily email that list to her special someone as a hint of what she'd really like to find under this year's tree. When in doubt, **BE Gift Certificates** are available at varying levels and delivered via email with a secure unique code.

Proprietress Karyn Cooks says, "The holiday season is about showing appreciation for the one we love, and we think the best holiday gifts are the ones that keep on giving. Would you rather unwrap a new pair of fuzzy slippers or a gorgeous bottle of edible body chocolate? Only one of those will inspire romance long after Christmas morning!" Cooks recommends dressing for the occasion in the Sexy Santa's Helper costume for ultimate impact.
