Dec. 31, 2007 - [PRLog](#) -- Dallas, TX – E-Guide Services, Inc.'s (EGS) initial distribution campaign for the new television guide channel, E-GuideTV, is a marked success in Orlando! Approvals have been received to install the E-GuideTV system in properties such as Travelodge, Imperial Swan Hotel & Suites, Four Points by Sheraton, Rodeway Inn, Hampton Inn, Ramada, Best Western, Days Inn, Comfort Inn, Quality Inn, Hilton Garden Inn and La Quinta Inn, with more approvals are to come.

In just short of two months, EGS has also received commitments from properties in Texas, Nevada, New York, Alabama, North Carolina, California and South Florida to install the E-GuideTV system.

E-GuideTV is a real-time television guide channel for the hospitality industry, customized to engage viewers and keep them in the know with up-to-date TV listings, local and national advertisements geared to the traveler, local time and date. E-GuideTV is free to the hotels and works with all major pay-per-view and free-to-the-guest providers.

Properties receive multiple added benefits for utilizing the E-GuideTV service. E-GuideTV minimizes calls to the front desk regarding TV programming questions, eliminates extra cost associated with printed in room channel line-up cards, and improves guest in-room satisfaction. Properties also receive a per-room commission for providing the service to their guests.

In addition, there are no installation, equipment or service fees associated allowing EGS to provide this service at no charge to the hotel.
