

Tvmco Launches New Internet Marketing Services

“TVMco takes direct response Marketing to the next level with Web 2.0 Internet Marketing Services”

May 30, 2008 - [PRLog](#) -- Boston, MA - TVMco has announced new services to be added to bring their clients maximum exposure for their campaign. The new Internet marketing service provides businesses of all size and types the capability of marketing their product and services to brand marketing messages.

TVMco, Inc. (<http://www.tvmco.com>) is a creative marketing and advertising agency. TVMco is based in Beverly, MA and works with a range of corporate and privately owned businesses. Made from a diverse team of goal oriented individuals, TVM approaches every new opportunity as a chance to further broaden and assist with each other on our client’s strengths, while developing advanced technology designs and marketing strategies to oblige business. Great results are what we strive for and the reason clients return to TVMco time and time again.

TVMco takes direct response to the next level; to achieve the response rates of television, radio and internet. The company combines innovative technology with a deep understanding of online advertising fundamentals: in-depth research, testing, campaign planning, buying, and execution, analysis, optimization and call center services.

“The concept is simple, yet powerful. Whether it is a day shoot or an entire production, TVMco has the creative staff and technical expertise to successfully complete your project on time and within budget.”

TVM is a full service television, video and multimedia production infomercial marketing company dedicated to creating compelling, creative, informative and entertaining media programming television, radio and internet. TVMco also provides a comprehensive media buying solution specifically tailored to direct response marketers. Nationwide campaigning or local and regional marketing made easy per your request.

TVMco (<http://www.tvmco.com>) services also include, market research, media planning and media buying, both Internet and on-demand television advertising and with the launching of internet services including web site design and development, SEO and video submissions, press releases with much more to come. “Our clients will receive every chance to get the product or service out there to the public. “

President, Scott Milbury “At TVM we believe in a performance based relationship where our success depends on that of your campaign.” TVMco works with all types of direct response marketers, from those who want to roll out large television and multi-channel campaigns to those who want to focus on branding their product.
