

Apartment Owners Association Los Angeles Trade Show to feature Energy Saving Products

Sun & Stars Lighting Inc. will exhibit latest efficient fixtures, lamps, and ballasts.

Sept. 3, 2008 - [PRLog](#) -- Los Angeles, CA--

"Discover how to make & keep more money than ever before" will be the theme at this year's AOA Million Dollar Trade show & Educational Conference. In today's marketplace, more and more property owners and management companies realize that going green adds value to your existing property, increases your profitability, and helps maintain a positive image in the community.

In keeping with the theme of the event, Sun & Stars Lighting Inc is proud to announce that for the first time ever, it will exhibit its line of Energy Star rated products directly to attendees of the AOA event on September 11th, 2008.

Sun & Stars Lighting Inc. (www.sunstarslighting.com) is a full service lighting company, specializing in manufacturing and distributing energy saving and quality control products. For over 6 years, Sun & Stars has offered the most advanced, quality products, at the lowest pricing for commercial, industrial, and residential lighting applications.

Sun & Stars is a leading provider of compact fluorescent lamps, reflector lamps, T-8 linear tubes, instant start electronic ballasts, as well as the latest in LED technology. Sun & Stars products are 100% recyclable, and are certified by Underwriters laboratories, the FCC, and of course Energy Star.

Sun & Stars Lighting, which has been recognized by San Diego Gas and Electric for outstanding customer service, is also a major provider of replacement lamps to participants of the Southern California Edison Multifamily Energy Efficiency program. Property owners and managers who participated in the program, and are experiencing dissatisfaction from other providers, or difficulty in obtaining replacement lamps or fixtures should make sure to stop by the Sun & Stars at booths 307 & 309. Sun & Stars experienced representatives will be on hand to display the latest products, answer questions, and give out great prizes to attendees, including a random drawing for a free gas card!

Property Owners and Managers are encouraged to attend this free event on September 11th at the Los Angeles Convention Center-West Hall B, 1201 Figueroa St, Los Angeles. The event takes place from 8:30 a.m.- 5:00 p.m., with registration starting at 8:00a.m.
