

Elite Smiles Dental Grand Opening

Elite Smiles Dental, a leader in sedation and laser dentistry, celebrated the grand opening of its first office in Leesburg, Virginia on Monday, November 3rd.

Nov. 6, 2008 - [PRLog](#) -- Leesburg, VA - Elite Smiles Dental, a leader in sedation and laser dentistry, celebrated the grand opening of its first office in Leesburg, Virginia on Monday, November 3rd. The new office, which is located near the FedEx Kinko's in the new Fort Evans II shopping center will provide patients with the highest quality oral healthcare and offers a wide range of payment plan options.

"We're really looking forward to serving the local community and bringing access to the highest quality, full-service, state-of-the-art oral health care to the area. We hope to make going to the dentist an easier, more convenient and gentle experience for people who live and work in the community," said Dr. Anne Saxena, owner and lead dentist.

Elite Smiles Dental will provide patients with a full range of dental services, including hygiene, oral surgery, fillings, whitening and crown and bridge work. The Leesburg office will feature state-of-the-art digital radiography services and a state-of-the-art intraoral camera to better diagnose, serve and treat patients. The new office will also provide patients with Vizilite Plus, the most advanced technology in oral cancer screening. Vizilite Plus uses a blue-light, "glowstick" technology that detects oral cancer at its earliest stage.

As part of its grand opening celebration, Elite Smiles Dental is offering FREE Whitening for LIFE (a \$700 value) and 30% of regular prices. The office will be open extended hours, including weekends, and will work with most insurance providers. To make an appointment, call 703-771-9494 or visit www.elitesmilesdental.com
