

## As Winter Approaches It's Time To Cover Up Your Air Conditioner Unit

*Winter is the time for protecting your valuable investments, especially your air conditioning unit. Cooler Covers provides custom fit AC unit covers.*

**Nov. 14, 2008** - [PRLog](#) -- During the winter months, air conditioner units take a beating from wind, water, snow, ice, and harsh temperatures. With a properly fitted air conditioner cover, your air conditioner unit will be kept safe from harmful elements and will perform at a higher level for much longer. Cooler Covers, <http://coolercovers.com>, allows site visitors to create custom fit air conditioner covers right on the site and have them shipped to them within two business days.

To see some of the advantages of having a proper fit AC unit cover, check out the Cooler Covers web site here: <http://coolercovers.com/ACunit.asp>.
