

Emmanuel Fradin Selected as a "Rising Star of Photography"

Parisian photographer Emmanuel Fradin has been selected as the newest member of Hub's Rising Stars of Photography. Emmanuel's exceptional body of work and creative vision has earned him this special recognition among today's emerging photographers.

Jan. 5, 2009 - [PRLog](#) -- Hub's Rising Stars of Photography today announced the induction of **Emmanuel Fradin** into its family of Rising Stars. Emmanuel's extensive credentials, portfolio and photojournalistic achievements were evaluated by a panel of distinguished photography professionals and were determined to be "world class" and exemplary examples of the photographic art.

Emmanuel Fradin is a Paris-based photojournalist and social/political photographer whose work has been published throughout Europe and major U.S. magazines. His work is visually sophisticated and demonstrates his passion for creating socially and politically compelling imagery.

Emmanuel's works have been published in: *Imapress Agency, Reuters, Associated Press, Der Stern (Germany), Time, Newsweek, The Times, Libération, Le Monde, and others.* During his career, Emmanuel served as Lionel Jospin's photographer during his time as Prime Minister of France.

Visit "The Rising Stars of Photography Site" at <http://hubsrisingstars.blogspot.com> to meet Emmanuel and view a sampling of his talent and vision.

Watch for additional inductees into the **Rising Stars of Photography** family will be announced throughout the month of January.

Are you a Rising Star of Photography? Would you like a public stage for promoting your craft, your vision and your career?

Applications are now available for consideration into the 2009 Class of Rising Stars of Photography and are available by submitting an email request to hub@hubbardcamera.com. New Rising Stars are announced every month. **Submit your application now for immediate consideration!**
