

Boresha's BSkinny™ Coffee and BSweet™ Sweetener New Products!

Boresha International, Inc.™ has acquired two new trademarks for their new BSkinny™ Coffee and BSweet™ Sweetener.

March 3, 2009 - [PRLog](#) -- Boresha International, Inc.™ has announced the release of two new health and wellness products BSkinny™ Coffee and BSweet™ Sweetener into the market. These products improve the lifestyle of those suffering from diabetes and related issues. BSkinny™ Coffee has the benefits of a buffered caffeine and fat-burning. Drinking 2 -12 oz mugs of this coffee will burn more fat than jogging two miles. BSweet™ is a low glycemic, low calorie and non-cephalic sweetener that is part of the Sweet Infused Fruits™ and a major scientific break-through. For more information go to www.cinnamonmug.com.
