Prince George's County Councilman Thomas E. Dernoga Visits Residents at Arbor Education & Training

Largo, MD- Thomas E. Dernoga, Prince George's County District 1 Councilman, visited Arbor Education training program and met with the residents of Prince George's County to discuss their anxieties with the job market and employment opportunities. During his visit to the Arbor, Mr. Dernoga stated that, "I am committed to each and every resident of Prince George's County. We are your servants and I implore you to hold us accountable for helping you gain employment." Councilman Dernoga, a longtime civic activist, shared many pending opportunities that will become available and encouraged everyone to take advantage of training to position themselves for opportunities in the green sector and technological industries.

After a tour of several training classes, Councilman Dernoga fielded questions from the participants and applauded them on their effort and diligence in pursuing their careers.

Nicole Peters, Project Director for the Arbor TANF program stated that, "It is wonderful to see the commitment and interest of Councilman Dernoga. He has always been a strong advocate for the residents of Prince George's County and we appreciate his support."

Arbor Education & Training is one of the country's principal providers of services for both the Workforce Investment Act (WIA) and the Temporary Assistance to Needy Families (TANF) Programs.
