PROTECTION POWERS of NATURAL HEMATITE Gemstone:

Hematite relates to the Mars. Determining the date when Hematite use began would be difficult but it has probably been used since the earliest days of human civilization. The ancient Egyptians used Hematite in the creation of their Magical Amulets such as the carpenter stone and head rest Amulets and several Heart Amulets. Warriors in Roman times used Hematite as PROTECTION during battle. So strong was their belief in the Power of Hematite to protect them that they thought it could even make them invincible. In modern times, the Powers of Protection that spiritualists apply to the stone has expanded into the spiritual realm, where they believe Hematite can transform or absorb negativity or evil. Hematite is a Lawyers stone that brings positive judgments in legal matters and it is a stone that helps one remain true to his or her inner self. Also a Protective Stone, whenever you feel the need for protection and face challenge in panicky situation, carry a Hematite stone with you. It could be crucial meetings, interviews or legal matters. On a spiritual plane, it enhances astral projections, promotes balance, focus, convergence and concentration of energy. Helps increase courage and will-power. It helps to balance out the emotions and energies between the body, mind and spirit. Not only does it dissolves negativity, but actually transforms it into the energy of Universal Love. Hematite reminds you that the only limitations that exist are those that you place upon yourself. Also offers support for your hopes, dreams, wishes and desires, by encouraging you to reach for the sun. Hematite forms a reflective shield around its Owner, letting negativity bounce off and return to the sender.
