A new book written by Lionel "Luciano Illuminati" White, published by SPOIO Publishing and released on November 19, 2009, called Wealth Building Strategies of the Super Rich: How to start a Family Dynasty was written to help the poor and middle class people who have not received a proper financial education. Fighting excessive credit card debt, ending bad spending habits and teaching the average person to think like the rich; that is its mission. The author says that you can become anything that you want to be with the right roadmap to get you there because without a plan you are planning to fail.

This publication is for anyone who wants to learn how to build wealth using the same strategies of the super rich. You will discover The 9 Greatest Strategies for Building Wealth, the right attitude and technique to increase your income, your net worth and your overall financial health.
