

Dailytrader.com gets bigger – B2B giant welcoming traders from 100 newly added countries

Dailytrader.com continues to expand, the B2B portal is now taking in traders from more than 100 regions, providing free B2B services to buyers and sellers alike.

Dec. 15, 2009 - [PRLog](#) -- Dailytrader.com has taken a giant step forward by opening up its doors to traders coming from more than 100 regions. The huge B2B marketplace is already home to a large number of wholesale suppliers and traders, mainly from USA, UK, Canada, China, India and Australia. The new addition has put Dailytrader into the ranks of only a few B2B portals, which are truly global. Newly added markets include Japan, Russia, Argentina, South Africa, Norway, Korea, United Arab Emirates, New Zealand, Hong Kong and many more. From now on, it will become a lot easier to track down buyers or sellers from a specific territory.

Dailytrader.com is a free-for-all platform that allows worldwide buyers and sellers to connect with global markets. The recent opening will provide a multitude of opportunities to wholesalers, manufacturers, distributors or dropshippers operating from any of these countries, especially for small businesses and new set-ups. The project manager, Athena Adrastos in her welcome note to new members said “Fueled by a passion to become the most comprehensive B2B portal, we are always working on new ways to enhance our member’s trading experience. Our success is linked to the success of our members. We are hopeful that the latest addition will prove to be a major push towards the successful realization of our goals. By providing this platform we’ve started the ball rolling, rest is with you to take advantage of this wonderful opportunity and reach out to potential buyers and sellers, from all four corners of the world”.

About Dailytrader.com:

Dailytrader.com has become a widely held name in eCommerce and B2B industries. According to an official, the website has seen an amazing 125% increase in its membership, this past year. Its state of the art directory features verified suppliers for a complete range of products such as clothing and apparels, electronics, jewelry, cell phones, computers, books, consoles, video games, and the likes. Basic membership is totally free of charge that allows its members to post unlimited products together with company details, as well as submitting buying and selling leads. Going by its growth, the website is anticipated to triumph over its competitors, soon in terms of overall visitors and the number of transactions taking place on daily basis.
