

## **FDIVoice Voice Activated Digital Phone Technology**

*Your NEW Voice-Activated Virtual Assistant includes: UNLIMITED Calling to USA and Canada! REPLACE your home or office phone service & ELIMINATE\* your phone bill! ONE NUMBER for your home, office & mobile! Dial, Email & Text HANDS-FREE! Safety First*

**Dec. 19, 2009** - [PRLog](#) -- Say goodbye to that Old-Fashioned dial tone! Just pick up your handset, and your phone will ask:

“what would you like to do?”

With FDIVoice, you can say “call Mary Smith at home...” instead of having to find her number and then dial it. And that’s just the beginning –FDIVoice brings you an amazing array of powerful voice activated communication features –features that no other digital phone service has. Just use one of dozens of our natural voice

commands... it’s THAT easy! You can also use the same powerful features from

ANY phone! That means if you’re away from your home, office, or mobile phone, you still have access to the same address book and all of your voice activated services! Incredible!

You can also use a variety of digital phones with your FDIVoice™ service – from a simple broadband Voice Adapter to multi-line business phones to high definition video phones.
