

Pittsburgh PA Herniated Disc Specialist Helps Locals Live Pain-free Without Surgery

Patients suffering from chiropractic problems such as neck and back pain, finally have an alternative treatment option to surgery and drugs. Chiropractic care is different in that it not only relieves pain but also treats the root of problem.

Jan. 19, 2010 - [PRLog](#) -- Pittsburgh, PA, January 12, 2010 - Allegheny Medical is very pleased to announce Dr. Neal Fanelli, Dr. Emil Ros, Dr. Krista Shiwarski, Dr. Drew Fanelli, Dr. Gerald Klug, Elizabeth Soroka and Robbie Grub's status as Pittsburgh PA Herniated Disc Specialist Helps Locals Live Pain-free without Surgery.
