

American Reprographics Company (arc) Makes Expand International Preferred Vendor

Expand International of America, Inc. announced today that they have entered into an agreement with American Reprographics Company (ARC) to become its preferred vendor of portable displays.

March 12, 2010 - [PRLog](#) -- STRATFORD, CT, MARCH 12, 2010 - Expand International of America, Inc. announced today that they have entered into an agreement with American Reprographics Company (ARC) to become its preferred vendor of portable displays. The agreement supports ARC's nationwide network of more than 275 reprographic service locations, as well its Riot Creative Imaging Centers, which provide digital color imaging services to retail and marketing customers in major metropolitan markets around the U.S.

Ross Banks, ARC's Vice President of Operations - National Color Services, said, "After evaluating several potential candidates, we selected Expand because of their nationwide coverage, strong local support and their broad range and availability of products."

Mats Ericson, Vice President of Sales & Marketing for Expand International of America, Inc said in a statement: "I'm exited about working with ARC and appreciate the value they put on the quality of our products and the services we have to offer".
