How to Naturally Regrow Lost Hair In 15 Minutes a Day is an excellent guide written by Richard on how to stop hair loss. Richard's book is well written with clear step by step instructions on how to stop hair loss. I strongly recommend you to check out the review which I have written for him.

In the **first three chapters** of the book how to naturally regrow lost hair in 15 minutes a day, he talked about the common causes of male and female hair loss.

Chapter four and five talks about the powerful hair loss solutions and prevention methodologies. The use of Rogaine and Nettle Root Extract, easily purchased from supermarkets, helps to provide hair loss cure which makes estrogen and dihydrotestosterone (DHT) .

Chapter six talks about curing sudden hair loss - Neutralizing the effect or controlling the production of DHT will definitely control the condition. Selection of appropriate medicine such as propecia may be useful when suffering from sudden hair loss. Apart from this, there are so many products available on the market for neutralizing the effect of DHT, which serve as a cure for sudden hair loss.

Chapter seven talks about the amazing vitamins for hair loss. In order to cure hair loss, vitamin supplement intake should be performed carefully. Research shows that an excessive intake of vitamin B6 by men resulted in stimulated hair growth. Deficiency in folic acid caused complete baldness among some men.

Many people suffering from hair loss are using hair loss shampoo, because it is the easiest way of treating hair loss. But in a lot of cases not the best! There are numerous varieties of hair loss shampoos available in drugstores. Richard recommends some of the best hair loss shampoo for you in chapter eight.

Available Hair Loss Treatment Options - Hair Loss can be treated naturally. Like you, I used to suffer from hair loss but has successful treated them.
