

ThePOSWarehouse.com offers savings on point of sale software, hardware, and Intuit QuickBooks

ThePOSWarehouse.com offers an online resource where business owners can shop and buy discounted point of sale software, hardware, and supplies as well as Intuit's full line of QuickBooks financial management software.

June 3, 2010 - [PRLog](#) -- Headquartered in Austin, TX, ThePOSWarehouse.com offers an online resource where business owners can shop and buy discounted point of sale software, hardware, and supplies as well as Intuit's full line of QuickBooks financial management software. A certified reseller of Intuit QuickBooks financial management software and Intuit QuickBooks Point of Sale software, ThePOSWarehouse.com is part of the exclusive Intuit Solution Provider program and has access to special pricing, offers, and discounts on these products that are in turn passed on to its customers.

In addition to the products it sells, ThePOSWarehouse.com has certified specialists and Intuit Pro Advisors on staff to help answer questions, assist in the decision making process, aide in transitions and implementation as well as train end users in a variety of software applications. "Our goal is to not only provide our customers with significant savings, but to be their trusted advisors," said Marjorie Adams, President of ThePOSWarehouse.com. "From making recommendations on products and solutions that best fit their specific business requirements to assisting them with their financial questions, we are able to provide added benefit to our customers throughout the entire process." ThePOSWarehouse.com's certified specialists can be reached 7 days a week via toll free number 1-800-604-8980.

ThePOSWarehouse.com also offers entire retail point of sale systems from Intuit and Hewlett Packard that includes the Microsoft Windows based HP rp5700 computer system, flat screen and touch screen monitors, steel cash drawers, barcode scanners, receipt printers, credit card readers, and the choice of either Intuit QuickBooks Cash Register Plus, Intuit QuickBooks Point of Sale Basic, Intuit QuickBooks Point of Sale Pro, or Intuit QuickBooks Point of Sale Multi-Store. The system is delivered to the customer with the chosen software pre-loaded and ready for business. Other industry specific and product type bundles are available with additional discounts.

ThePOSWarehouse.com offers products that cover a broad range of industries and have solutions that fit most small and medium sized businesses. It currently resells AccuPOS point of sale software and hardware that is designed for restaurants and bars, and while Intuit QuickBooks financial management software line of Pro, Premier, and Enterprise Solutions can be customized to fit just about any industry, there are also specialized editions for retail, nonprofits, professional services, manufacturing, and contractors.

"Searching for the right business software can be confusing, which is why we have trained experts on staff to help our customers through that process," said Adams. "Often businesses just need to upgrade their current programs or expand their software." ThePOSWarehouse.com also sells upgrades and additional licenses for Intuit QuickBooks point of sale software and Intuit QuickBooks financial management software.

Additional products available at ThePOSWarehouse.com include tag printers, pin pads, pole displays, receipt paper, barcode labels, tags, and other point of sale hardware and supplies.
