

BlackBerry contract deals: Hard to resist

BlackBerry mobile phones are featured with some of the smartest applications which are latest in the market. Today, entire mobile phone market is going through tough competition. This compels every manufacturer as well as service provider

June 8, 2010 - [PRLog](#) -- BlackBerry 8900 Deals is a stylish and sophisticated handset which comes with lots of exciting and advanced features. Its wide range of specifications include a QWERTY keyboard, which simplifies the process of text messaging. The handset weights only 110g and boasts of a 2.4 inches wide TFT screen. This TFT screen is capable of producing images and texts in 65K colours. The device involves latest technologies, that is evident due to the presence of GPRS, EDGE, WLAN, Bluetooth and USB. To provide good quality images, the handset is also featured with a 3.15 MP camera.

All these great features can be enjoyed easily if you go for the BlackBerry Mobile Phone Deals(http://www.3contractmobilephones.co.uk/blackberry_mobile_phones.asp). In the same manner, BlackBerry 8520 Curve Violet deals(http://www.3contractmobilephones.co.uk/Phone_Deal.asp?Ph=BlackBerry--8520--Curve) are creating buzz among the mobile users. The phone has the elegant and sleek looks with dimensions 109 x 60 x 13.9 mm. The TFT screen of this handset clearly indicates that the set is a Blackberry sibling. With a resolution as high as 320x240 pixels and a support of 65 K colours the screen outputs a bright and clear display. The trackpad of this handset is an optical one. The most convincing part about these deals is that, they allow the users to get these exciting devices at a lower price. Not only this, they come associated with lots of attractive free gifts. These freebies are really useful and can catch the eyes of the users very easily. An entire package of comfort is right in front of you.

--- End ---
