

## Take Your UGO Furniture Outdoor

*Outdoor, portable, durable! Who could ask for more? If at the end of summer, you want to stow your outdoor furniture, simply take it apart and put in the shed or under a bed. Why not use your UGO throughout the year as a guest couch or chair.*

**June 30, 2010** - [PRLog](#) -- You're outdoor on the patio with the kids for the summer. Why sit in an uncomfortable folding chair? Get a UGO, put your feet up and relax and enjoy. The cushions are filled with recycled 2 liter plastic bottles and the covers are water resistant UV protected. The cool pillows are made to go inside and outside. It is a new way to think. Isn't it?

UGO Furniture is made right her in Eugene, Oregon. The frames are down the block and our cushions are sewn right her in our warehouse. We have the ability to fill orders quick with our team of furniture professionals.

We especially like creating new looks and cover colors with our customer's ideas. We recently completed a GOLD METALLIC SOFA with colorfully patterned cushion covers with the fabric provided by our customer. What a fun project. You can see the colors on our facebook page.
