Aug. 7, 2010 - [PRLog](#) -- Sofa.com is a fantastic website where you will find a sofa you love, and if you don't they will even let you send it back – for FREE! Their range of sofas are unique and beautiful and they offer guaranteed delivery in 2-6weeks on a time and day that will suit you.

Not only can you buy a sofa online you can also view their beautiful sofas in their showroom on Lots Road in London. This is actually just an extension of their offices but you will find tea, coffee and a range of their sofas, as well as generous samples of all their fabrics and leathers, as well as a view of the River Thames over Battersea, Albert and Chelsea Bridges.

Sofa.com set up their business with the aim to be the best retailer of high-quality, comfy sofas in the UK and to provide the best customer service in the industry. So far they have sold 10000 sofas and received tons of happy feedback from customers. Due to the confidence they have that you will like their sofas they will even offer to collect it for a full refund within 14 days if you don't like it.

The sofas that sofa.com sell are of high quality and would cost between £1300 and £2500 on the high street. As sofa.com don't waste money on shops, brochures and expensive marketing campaigns they can sell their sofas at half the price as they concentrate their money on the important things like building your sofas! All sofas come with a five year guarantee!

Sofa.com have a fantastic competition running at the moment. If you send a picture of your comfy pet to newstuff@sofa.com or upload it to their Facebook page, then each week for the next three weeks one winner with the comfiest looking pet will win the Ultimate Hungarian Duvet, made from 100% Hungarian goose down, which retails for £760! Not only that but on the fourth week the voting is opened up to the public, the lucky winner will be the proud owner of a stylish comfy bed worth £1000 – this will of course include a mattress and duvet making the prize worth over £2000 in total!

Another speciality of sofa.com is beds, having got their degree in comfy they decided to use their expertise on another important comfy place – beds! They use the same skills and fabrics as their sofas and put the same care and attention into them! They come in a variety of colours and are of course the comfiest beds you can imagine!

Just to add to sofa.com's achievements they also hold the world record for the fastest sofa! They achieved an astonishing speed of 92mph! The sofa built by Edd of sofa.com has a lovely cream upholstery, under which lurks a 220 horsepower V8 engine, the same engine that powers a Range Rover! They even hired a runway in Hampshire on which to trial the sofa!

Visit <http://www.sofa.com> today to see just how stunning their sofa's are!
