

Wardrobe Essentials: Back to basics

Ever wondered what your wardrobe should contain? We have staple items of food so why not have staple wardrobe items. These are all you will ever need for a basic wardrobe.

Sept. 29, 2010 - [PRLog](#) -- Basic Wardrobe Essentials

This is our guide on what every women should have in their wardrobe as the basic essentials.

1. A black Tshirt that can be teamed with jeans for the casual occasions
2. White shirt for interviews, work and meetings
3. Dressy black top with detail to dress down for meetings or dress up for an evening out after work.
4. Jumper dress can be used as an outfit on its own, over jeans or with leggings.
5. Cocktail party dress
6. Sweatpants are great for that gym work out or running session
7. Smart black trousers to team with the white shirt for work.
8. Coat in a bolt colour and one that accentuates your style, trench coat for the fuller figured, bolt colour for slimmer ladies and waist cropped for the petite lady.
9. Black bootcut jeans to flatter every shape, finish with loose blouse for pear shaped ladies, smart skirt for slender ladies and V neck tops for the apple shaped ladies.
10. Casual handbag as we need a bag for everyday use to hold our make up, hairbrush, tissues, vaseline and other accessories we need.
11. Evening style purse (Use our bag guide to find the right one for your shape)
12. A body belt depending on your size the best place to wear one is the waist if you have a slender waist, if you are an apple shaped lady use block bright colours to detract away from a larger stomach
13. Knee high boots that go with almost anything especially if they black, brown or grey. Use heels if you are on the larger side to elongate your body, flat boots are great to show off slender ladies legs.
