Cute Cocktail Dresses:

A cocktail dress or cocktail gown is a woman's dress worn at cocktail parties, and semi-formal occasions. The length of cocktail dresses varies depending on fashion and local custom. The length ranges from just above the knee to touching the ankle. When it is about 5 cm (2 inches) above the ankle it is called tea length and when it is almost touching the ankle it is called ballerina length, although ballerina length dresses usually fall into the evening gown category.

At semi-formal occasions, less elaborate, shorter-length cocktail dresses may be worn. Prior to the mid 20th century this type of dress was known as 'late afternoon'. When gentlemen are in business suits, ladies also wear dress suits or "good" afternoon skirt and dresses.

MyBridalDress.com provides different pattern cocktail dresses from tea length to full length, formal to casual, and various of styles. Either as a fashion pursuer or tradition protector, you can get a flattering cocktail dress for your party or event.
