The picture shows a sample of three of the Coloured Gem rings in this collection. Here are the descriptions of these rings:

### Top to Bottom

This beautifully crafted ring displays a superb 9.79ct Lemon Quartz centre stone framed by an array of shimmering round brilliant cut diamonds (0.25ct). The full profile of the centre stone is visible from the side due to the open work of the setting.

This wonderful 2.65ct Amethyst gemstone is framed on both sides by stunning round brilliant cut diamonds (0.36ct). Amethyst jewellery is extremely popular this season and this wonderful gemstone looks so beautiful set in platinum or white gold, accentuated by the white diamonds.

Show off your exquisite sense of style with this 9.48ct Blue Topaz, Diamond, and Sapphire ring. When paired with the matching Blue Topaz Pendant, this look is complete. A large, smooth Blue Topaz stone is set in the centre and surrounded by 48 round brilliant cut diamonds (0.40ct). With 44 dazzling sapphires (1.20ct) on display further along the band. A stunning piece of jewellery.

This Dublin based jewellers are displaying these coloured gems at their O'Connell, Chatham & Capel Street stores.
