TORONTO - March 5, 2015 - [PRLog](#) -- Easy Listening Artist ALI HUGO is completing the recording of his new album “ New Generation Farahan”. The new album contains such upbeat tracks like the Euro-electro "Enzo", the Jazz electronica track “ Moonlight Lullaby”, the classical “ Flowery gown” and the exotic “ Stone Town“. The album to be released in July 2015 will take the listener on a eclectic joy ride.

"After 10 years of timeout, I began the writing, recording, engineering, mixing and mastering of my latest project. The new album to be released is“ New Generation Farahan”. The album expected to be out this summer, is an easy listening record on which I've played all the instruments and is being recorded at Hugo Productions Studios" ALI Hugo stated on his website.

The New Album has taken Hugo to new musical dimensions in the genre of easy listening music. This project is being recorded by using a sophisticated hi-tech digital sound engineering process as well as recording music live the ole fashion way. "One thing is for sure; these song are personal to me but I hope they take the listener on a healing journey’ Hugo explained enthusiastically.

Look out for the album release and promotion dates this summer.
