*Spartan Tool, Inc. has launched a new web site featuring pneumatic rock drills, stone tools, drill steels, rock bits, pneumatic stone tools, rock chisels, stone hammers, stone splitting equipment, DHT hammers & bits and safety gear.*

**Jan. 30, 2008** - [PRLog](#) -- Spartan Tool Company, Inc. (<http://www.spartantool.us>) was established in 1986 to manufacture carbide tipped rock drill bits for the local granite industry. After achieving great success locally, Spartan Tool expanded to the production of dimension stone tools, and began distribution to other areas of the country. Today, Spartan Tool Company, Inc. is one of the nation's leading manufacturers of construction and stone industry tools.

### **Pneumatic Rock Drills**

Spartan Tool Company is the largest Pneumatic Rock Drill supplier in the Southeastern United States. These rock drills are excellent for the mining, quarrying (granite) and construction industries and include brand names like Canun International Pneumatic Drills, Atlas Copco Rock Drills & Hammers, Chicago Pneumatic Hammer Drills, Mid-Western Pneumatic Drills and Hammers, Toku (S-55) and Toyo Jackleg drills. Spartan service and stocks repair parts for most pneumatic rock drills.

### **Stone Working Hand Tools**

Spartan manufactures quality, carbide tipped granite and stone working hand tools for the stone industry. The hand tool product line includes carbide tipped hand chisels, hand points, hand sets, hand drivers, tracers, and heavy duty carbide chippers. High quality stone splitting supplies are also available including stone shims, stone wedges, power wedges and power air bags.

### **Stone Hammers**

Spartan manufactures many types of stone working hammers including alloy sledge hammers, rifter hammers, cleaver hammers, steel bull hammer sets, stone mason hammers, rubble hammers, carbon steel sledge hammers, and bell hammers. These hammers are available with or without wood or fiberglass handles.

### **Pneumatic Stone Tools**

Spartan manufactures a complete line of pneumatic stone tools include carbide tipped machine chisels, shank bits, carbide four point bits, carbide nine point bits, carbide sixteen point bits, carbide crisscross chisels, carbide cleanup chisels and marble tooth chisels. Pneumatic adaptors are available for UT-7 or DKR Taper to CL, CP-9 Taper to CL, and Knockoff blocks so these tools can be used in many brands of hammers and drills.

### **Drill Steels And Rock Bits**

Spartan high quality drill steels and rock bits include 12 degree taper drill steels and bits, integral drill steel rods, H-Thread drill steels and rock bits, D-Thread drill steels and rock bits, Rope Thread drill steels and bits and 125 rope steels and bits. Drill steels are available in lengths up to 33 feet in length. Down The Hole (DHT) bits and hammers for drilling in stone and hard earth are available in sizes from 3" to 10" in

diameter for drilling machines.

### **Stone Setting Accessories**

Stone Setting equipment and accessories from Spartan Tool Company, Inc. for handling large granite monuments, memorials, or curbing include Grade 80 chain, hammer locks, clevis grab hooks, slip hooks with clevis, safety shackles, screw-pin shackles, Lewis pin sets, stone dogs, stone lifting clamps, spreader bars, replacement parts, mausoleum lifting pins, come-alongs, pinch bars, setting bars, digging bars and roller setting bars.
