Feb. 4, 2008 - [PRLog](#) -- VALENTINE'S DAY REMEMBER WHEN ANNIVERSARY BALL
A Lifetime of Happily Ever After

Remember When is pleased to present their second Anniversary Ball on Thursday, February 14th at the Kapok Tree Ballroom. Sheila Kilpatrick created this awesome gala for the love and passion of those very special Wedding Days. It's extra special to present this affair on Valentine's Day this time around for obvious reasons. "It was the happiest and saddest day of my daughter's life" recalls Sheila. That was, like many brides, the reaction my daughter had after her wedding day. So much went into creating that "perfect day", which flew by in a blur. Between the welcome line, greeting guests, posing for pictures, dancing, cutting the cake, so on and so forth, the bride and groom are pulled in all directions during the reception. It seems the day is over before you can take a breath and say "I do". "Why can't you wear your wedding dress again and relive that night" asked Sheila's daughter Kassie with sadness?

After talking with many brides that felt the same way, the idea of the Remember When Anniversary Ball was born. The Anniversary Ball is a night for couples to relive the magic they felt on their wedding day. A magical night at the beautiful Kapok Tree Ballroom with a recommitment of wedding vows, a ceremonial wedding cake, a romantic reception dinner at a candlelit table for two, champagne toast and the amazing DJ, to dance the night away.
