June 19, 2008 - [PRLog](#) -- Looking for . . . a vacation-retreat in the foothills of the Berkshires, in a country retreat center with an art gallery, labyrinth, meditation spaces, outdoor swimming pool, meals . . .

Want to stay close to home yet be a world away, near cultural and historical sites in Litchfield, Torrington, and northwest Connecticut?

Come to Wisdom House Retreat and Conference Center, Litchfield, Connecticut. We have space available from July 11 to August 10.

Nestled in the foothills of the Berkshires, Wisdom House Retreat and Conference Center invites you to an experience of peace and tranquility.

This former center of spiritual development for the community of Catholic sisters, the Daughters of Wisdom, provides an environment conducive to reflection and creative expression..

Now Wisdom House is the interfaith center which welcomes women and men who value seeking and learning in a contemplative environment. The center is a ministry of the Daughters of Wisdom of the United States Province.

As a country retreat and conference center, Wisdom House spans 54 acres of meadows, woods and brooks. Indoor and outdoor sanctuary areas and labyrinth encourage meditation, prayer and creative thinking.
