DANCE4LIFE School Of The Arts And Training Institute harnesses the dynamic power of human creativity and fuses it with the structure and discipline of movement education. This allows it's students to explore dance in a setting that is open to individuality and expression. With a focus on a strong technical foundation, students can excel from the ARTS program moving through the TRAINING INSTITUTE. This syllabus is both fitting for the novice dancer to the professional performing artist. This program offers instruction in Ballet, Jazz, Modern, Acrobatics, Pointe, and Adult classes. Through a positive and encouraging learning environment, the dancer will experience growth and invaluable lessons that is not only useful in the dance world, but also in life. Hence,...DANCE4LIFE.

###

It is our belief that through movement and expression, one can achieve a feeling of confidence. Through a positive and encouraging learning environment this is certain to be developed and nurtured. While providing structure and discipline through the arts, it allows growth that can not only be applied in a dance setting, but also in life.
