

Bankruptcy Overload - VBA's Help Consumer Bankruptcy Attorneys

The following is a synopsis of the valuable services that Virtual Bankruptcy Assistants are providing to Consumer Bankruptcy Attorneys who are in need of a bankruptcy specialist.

Nov. 6, 2008 - [PRLog](#) -- -- A VBA is a Virtual Bankruptcy Assistant who is an independent contractor that assists Consumer Bankruptcy Attorneys with their petition preparations and electronically files them with the courts. VBA's are invaluable to the Attorney who may be just starting out his or her practice or to the attorney who has a small to medium size practice. VBA's help Attorneys grow or expand their practice in the bankruptcy field by keeping overhead costs low and allowing for the attorney's time better spent on practicing law.

By outsourcing the petition preparation, the Attorney will reduce overhead costs by never having to pay for salaries, benefits, office space/equipment, payroll taxes, etc. Also, the Attorney will not have to provide the office set up since the VBA works out of his or her own home office and will already have everything he or she needs to work effectively and efficiently. VBA's are not there to take work away from the Attorney's staff but to supplement and support it.

A diligent and professional VBA has taken the time to be trained, and certified and continues his or her education in the new bankruptcy laws by attending seminars online and being active members of bankruptcy associations.

Professional VBA's only work under the direction supervision of Attorneys, hold high ethical standards and do not practice UPL (unauthorized practice of law). A website is the VBA's main source for marketing his or her business to Consumer Bankruptcy Attorneys and many VBA's can be found advertising their services on Craigslist in the legal section and various other legal classifieds.

National Bankruptcy Petitions is just one of these many businesses that provide valuable bankruptcy petition preparation services for consumer bankruptcy attorneys. You can contact them anytime at 760-693-1816 for any questions you may have or for rates on the chapter 7 and 13 petition preparation.
