Nov. 13, 2008 - [PRLog](#) -- Coldwell Banker Select Professionals has been named a principal member of the Cartus Broker Network. Coldwell Banker Select Professionals has over 80 agents in 4 offices throughout Lancaster, Dauphin, Lebanon & York Counties. Network brokers are responsible for, among other things, the effective marketing of real estate on behalf of Cartus' clients, and the delivery of Top Block1 service to its customers.

According to Deborah Williams, senior vice president of Cartus Supply Chain Management, Coldwell Banker Select Professionals will take on an important role in providing real estate services to Cartus clients. The decision to make the firm a Network Broker in the market was based on their strong performance and a shared commitment to Cartus business and its customer goals.

Ryan Hess, CEO for Coldwell Banker Select Professionals, said the relationship with Cartus brings with it increased responsibility and additional opportunities to the firm. "This move makes a tremendous statement about our company. Cartus is an industry leader in relocation. The fact that we were chosen as a Principal Broker speaks highly to our reputation as a real estate firm in this competitive market."

"The Susquehanna Valley continues to draw attention as a business destination in Pennsylvania" said Hess, "Those companies who contract with Cartus to help relocate employees demand and deserve outstanding service". Hess pointed out that the partnership of Cartus, the nation's leading network of more than 375 Principal and 600 Associate brokers, with the power of the Coldwell Banker brand is a hard combination to beat.

Williams stressed the critical role that the Cartus Network Brokers play in the company's ability to support clients and their transferring employees. "The real estate brokers that make up our Network must provide the very best in service delivery, meeting and maintaining stringent performance standards. Coldwell Banker Select Professionals meets those standards. We are proud to be associated with them and look forward to a long and effective relationship," Williams said.
