

Agrotourism Panama Private Tours

The Republic in Panama might turn into the new hot spot for agrotourism and agricultural / aquicultural productions. Come join our 10 day program and find out about Panama's production capacity!

Nov. 25, 2008 - [PRLog](#) -- Day 1: Your group will be privately pickup at the International Airport by or team of professionals and transported to the 4 star Plaza Paitilla Hotel before starting the agrotourism operation.

Day 2: After starting the day at Panama City's Plaza Paitilla and finishing the provided breakfast the group will head to Tocumen at 40 min from Panama City. In Tocumen we will meet the CEIAT.

900:CEIAT or Centro de Enseñanza e Investigacion Agriocola de Tocumen (Center of Study and Investigacion of Agricultural Science of Tocumen) is a division of the world recognized Panama National Univeristy. Its main objectives are oriented to develop technology in benefit to national producers, as well as formulate action plans and technology transfer to other Faculty sites in the region and Panama. the creation of this center is to develop alternative and answer to the necessities of the agricultural sector at regional level and increment the research on the agro field. The development of seeds resistant to plagues and other diseases are also among the main goals of this center.

1200: Lunch at El Trapiche, one of Panama's best traditional food restaurant.

1300: The group will head out to the Panama Canal Visitor's center where you will have the experience to see the Locks in operation as there is a transit every day at 1400 hours. The group will receive a full explanation and details of the construction and operations of the Panama Canal.

1530: The group will head out to the Soberania National Park to meet with the Embera Puru Indian tribe. A short bus ride will take us thru Panama´s Tropical Rain Forest of the Chagres National Park to aboard a private boat. From there the boat will navigate up the Chagres River where we will meet the people of the Embera-Dura indian. We will be able to experience natural sites, strong ethnic content, Embera´s tattoos and even lunch in their typical huts!

1730: Or departure will lead to the Cause Way, a famous interconnection of Islands overlooking Panama City. We will stop by My Ranchito, a regional classic restaurant with ocean views to the Panama Canal.

2000: Back to Hotel Plaza Paitilla.

Day 3: After waking up at Panama City's Plaza Paitilla Hotel and finishing the provided breakfast, the group will head out to Chorrera at 30 min from Panama City in order to learn about the pineapple plantations that Verba Ordec S.A. offers.

930:Verba Odrec S.A is family owned an agricultural business that was formed with the idea to position the name of Panama as the country with the best pineapples around the world.
