

## **Battery Solutions, AC/DC, Power Supply and adaptors**

*All-battery.com offers a variety of Lithium Polymer Batteries and the Li ion Battery. Li Polymer allows greater energy capacity in a smaller cell. This type of rechargeable battery is used in cell phones, mp3 players, and many other small devices.*

**Dec. 9, 2008 - [PRLog](#)** -- Tenergy Corporation is a total mobile power solution provider. Located in the Heart of Silicon Valley in Northern California, Tenergy Corporation serves its vast customer base with its technical strength, innovative products, cost effective manufacturing, sophisticated quality control and knowledgeable customer service. We work closely with our clients in a wide spectrum of industries and for various application needs. With our global technology and service center in Silicon Valley California and volume cost effective manufacturing facilities in China, we offer superior turn-key power solutions with NiMH, Li-Ion, Li-Polymer, NiCd batteries, chargers and emerging power technologies. From prototype to volume production, we respond to our customers needs efficiently and precisely. We provide quick turn key total solution with high quality batteries and chargers to meet your demand on mobile power. Today, Tenergy Corporation is the premier supplier in the rechargeable battery market recognized by retail sectors, OEM source, and industrial, communication, medical, military and special applications.

Tenergy Corporation is continuously investing in the developing and introducing new efficient power products to meet the ever expanding energy needs of consumer, industrial and high technology equipment. We maintain the highest standards in the industry by:

- Rigorous quality assurance
- Technological expertise
- Manufacturing efficiency
- Global logistics and supply chain structure
- Responsive and knowledgeable customer service teams

Tenergy is a registered TRADEMARK in USA. US Serial No. of Tenergy Trademark: 78433594  
Production Facilities. Tenergy Corporation's China factory, one of the leading rechargeable battery battery manufacturing plant in the country, is equipped with the most up-to-date production and testing equipments. With over 3,100 well-trained production staff and 200,000 square foot manufacturing area, our factory is capable of producing over 500,000 various cells a day or over 15 million cells a month. Now we produce and ship over 30 million various rechargeable batteries every quarter. We are the OEM source for many top brand batteries in the world.

Quality Assurance. Tenergy Corporation maintains a perfect quality assurance system by implementing most strict quality control and inspection procedures in every stage of the production process. We also passed the qualification audits and inspections by several well-recognized international quality audit organizations known for the stringency of their engineering standards. We have won the trust of several world most famous companies who choose us as their OEM source. We work closely with world leading companies to ensure the industry most advanced manufacturing process and quality control are applied in our factory. We have continuous improvement program (CIP) in place for our zero defect goal.

All-Battery.com is your one-stop saving store for high quality rechargeable batteries and chargers. We offer rechargeable batteries and chargers that are made with industry leading technologies, and most cost effective manufacturing process. In addition, we offer you a wide spectrum of valuable information on batteries and chargers for your in-depth understanding of battery world. The All-Battery.com online site and our high quality customer service are specially designed and dedicated to offer you a secure, friendly, convenient, private, and informed shopping experience. With our own direct manufacturing of top-quality rechargeable batteries and chargers, we are committed to provide the best battery products and service to you at the most attractive prices. You can easily realize 40-80% saving from the price at retail stores. We are distributing directly from manufacturers to individual consumers like you and pass the savings to you!

We are open 24 hours a day, seven days a week. Products you purchased will be delivered by the reliable USPS or FEDEX system to your home or business. Our customer service representatives will provide you with any needed pre and post purchase service so you can confidently making the purchase. We are becoming the world leading online superstore for rechargeable batteries and chargers for wide spectrum of applications. Your superior shopping experience is fundamental to our success. We welcome and appreciate your suggestion and feedback on how we can serve you better.

Some of our latest special offers:

9.6V 1400mAh Flat NiMH Battery Pack for Mini AirSoft Guns

Regular Price: \$49.99

Sale Price: \$17.47

You Save: \$32.52 (65%)

One 9.6V 1400mAh Flat NiMH Battery Pack for Mini AirSoft Guns

2 RCR123A 3.0V 750mAh LiFePO4 Rechargeable Batteries with a Smart Charger

Regular Price: \$35.99

Sale Price: \$19.99

You Save: \$16.00 (44%)

2 RCR123A 3.0V 750mAh LiFePO4 Rechargeable Batteries with a Smart Charger

14.4V 3800mAh NiMH Battery Pack for IRobot Vacuum Cleaner - Roomba 4905

Regular Price: \$70.99

Sale Price: \$34.03

You Save: \$36.96 (52%)

One 14.4V 3800mAh NiMH Battery Pack for IRobot Vacuum Cleaner - Roomba 4905

CleanMate 365 Personal Cleaning Robot

Regular Price: \$229.99

Sale Price: \$119.99

You Save: \$110.00 (48%)

CleanMate 365 Personal Cleaning Robot

T2880 LCD Display Ultra Fast Dual Use Charger with 4 AA 2300 mAh NiMH RTU Rechargeable Batteries

Regular Price: \$36.99

Sale Price: \$18.99

You Save: \$18.00 (49%)

TENERGY Microprocessor controlled ultra fast Ni-MH & Ni-Cd battery charger with car lighter adaptor and 4 AA 2300 mAh high power NiMH batteries

T6278 Universal Smart Fast Charger with 8 D size 10000mAh Batteries -- New!!

Regular Price: \$159.99

Sale Price: \$74.99

You Save: \$85.00 (53%)

Smart Universal Ni-MH and Ni-Cd Smart Fast Charger for All Battery Sizes 8 D (10000 mAh) Package

T6278 Universal Smart Fast Charger with 26-cell package (8AA/8AAA/4C/4D/2 9V)

Sale Price: \$89.99

Best Combo: Smart Universal Ni-MH and Ni-Cd Smart Fast Charger for All Battery Sizes + 26-Cell Package: 8 AA (2600 mAh), 8 AAA (1000 mAh), 4 C (5000 mAh), 4 D (10000 mAh), 2 9V (250mA)

T6278 Universal Smart Fast Charger with 8 C size 5000mAh Batteries -- New!!

Regular Price: \$129.99

Sale Price: \$59.99

You Save: \$70.00 (54%)

Smart Universal Ni-MH and Ni-Cd Smart Fast Charger for All Battery Sizes 8 C (5000 mAh) Package

T6278 Universal Smart Fast Charger with 4 C size 5000mAh and 4 D size 10000mAh Batteries -- New!!

Regular Price: \$139.99

Sale Price: \$73.99

You Save: \$66.00 (47%)

Smart Universal Ni-MH and Ni-Cd Smart Fast Charger for All Battery Sizes with 4 C size 500mAh and 4 D size 10000mAh Package

Smart Universal Ni-MH and Ni-Cd Smart Fast Charger for All Battery Sizes + 32-Cell Package: 12 AA

(2600 mAh), 12 AAA (1000 mAh), 4 C (5000 mAh), 4 D (10000 mAh)

T6278 Universal Smart Fast Charger with 68-cell package (24AA/24AAA/8C/8D/4 9V)-New!!

Regular Price: \$319.99

Sale Price: \$189.99

You Save: \$130.00 (41%)

Best Combo: Smart Universal Ni-MH and Ni-Cd Smart Fast Charger for All Battery Sizes + 68-Cell

Package: 24 AA (2600 mAh), 24 AAA (1000 mAh), 8 C (5000 mAh), 8 D (10000 mAh), 2 9V (250mA)

T6278 Universal Smart Fast Charger with 22-cell package (8AA/8AAA/2C/2D/2 9V)-New!!

Regular Price: \$169.99

Sale Price: \$74.99

You Save: \$95.00 (56%)

Best Combo: Smart Universal Ni-MH and Ni-Cd Smart Fast Charger for All Battery Sizes + 26-Cell

Package: 8 AA (2600 mAh), 8 AAA (1000 mAh), 4 C (5000 mAh), 4 D (10000 mAh), 2 9V (250mA)

8.4V 4500mAh Hump NiMH High Power (40A Drain Rate) Battery Packs with Tamiya Connector for RC Cars

Regular Price: \$89.99

Sale Price: \$36.79

You Save: \$53.20 (59%)
