

Resorts360 Is The New "Top Dog" In The Travel Industry

Resorts360 is taking the travel industry by storm, allowing its members to book vacations in over 4000 resorts worldwide for just a fraction of the original cost.

Jan. 20, 2009 - [*PRLog*](#) -- Resorts360 Vacation Club is doing for the travel industry what Walmart did for retail. This luxury travel company lets its members vacation in fabulous 4 and 5 star resorts for just a fraction of the original cost. They have over 4000 resorts in 85 different countries! Member can travel for as low as \$399 for the entire week, for the entire family. This can mean savings of up to \$1200 on each vacation.

Resorts360 has the advantage over other similar companies in that they offer a tremendously attractive pricing package. Members can join for the low price of only \$249 per year. In addition, they have the option of joining for only \$79 a quarter. Other companies charge anywhere from \$2995 to \$4000 for similar packages.

In addition to fantastic savings on their vacations, Resorts360 members can also earn a great income. The program is setup to reward members for getting others to join. The payplan is very lucrative and allows members to realize a real residual income.

With the dawn of the internet age, more and more consumers are booking their travel online. In 2006, Forrester Research reported that 73% of US Households are online and 82% of US travelers are online. More than half of them research and book travel online.

In fact, according to CNN Money, travel is the single largest category or e-commerce, accounting for about 43% of all online spending. Resorts 360 members can book any vacation online - in real time.

In summary, Resorts360 has a proven product that is backed by super customer service. Members are able to save thousands of dollars on their vacations and also are able to earn a nice income. The price is very affordable with two options in getting started.

There is no doubt that Resorts360 Vacation Club is indeed the new Top Dog in the travel industry.
