

KARASTAN RUG CLEARANCE SALE: Discounted Prices on in stock area rugs including new and floor samples

Hemphill's Rugs & Carpets in Costa Mesa, California has a wide selection of Karastan wool area rugs that are being offered at an additional 25% Off their normally generous discounted price through March 30.

March 5, 2009 - [PRLog](#) -- Through the end of March, Hemphill's Rugs & Carpets is offering an additional 25% off the normal aggressive price on all in stock Karastan area rugs. No special orders will be accepted at these additional discounts during the sale. However, special orders will be accepted and sold at Hemphill's everyday discounted pricing. Sale items include all rugs including the popular 700 Original Collection, Antique Legends and English Manor collections. Discontinued and clearance Karastan rugs will be offered at the additional 25% discount as well. These prices would reflect a final price that is well below wholesale cost.

Hemphill's Rugs & Carpets offers discounted pricing on over 70 name brands of area rugs, broadloom carpet and wood flooring. Famous brands include Fabrica, Masland, Stanton, Karastan, Nourison, Couristan, and Stainmaster carpet and area rugs.

The showroom also specializes in natural fibers such as wool, sisal, seagrass, abaca, jute and raffia. These products can either be installed or made into area rugs. Our vast selection of bindings include leather, fabric, suede, cotton, microfiber, linen and jute. Custom and standard sized area rugs are available with quick delivery.

Hemphill's is known for offering terrific and unique products that are sourced from throughout the world. They offer a fine custom wood floor that is made in the USA by Richard Marshall. In addition, they represent several carpet products that are sourced from Greece, Holland, Italy and Belgium.

Finally, Hemphill's offers a wide range of machine made and hand knotted area rugs. Among the collections are hand made pieces from Obeetee, the finest weaver in India and Gangchen Carpets from Tibet. A large variety of sizes, colors and patterns are available from the valued resources which have been suppliers to Hemphill's for over 20 years.

Discover why Hemphill's is a favorite destination from many designers, architects and specifiers. The company is unique in that they offer discounted pricing to the general public as well.
