

Nokia introduces 2330 Classic in Pakistan at affordable Price

Nokia introduces 2630 Classic at very affordable price in Pakistan.

June 29, 2009 - [PRLog](#) -- Nokia today introduced an of affordable mobile Nokia 2630, specifically for people in emerging markets like Pakistan. Estimated retail price of the new Nokia 2630 range from 6000 to 6400 Pak Rupees, expected to begin shipping today 29th of June 2009. Nokia's suite of Internet services for Pakistan is already available for its customers including other emerging markets.

"In 2002, Nokia unveiled a strategy to lower the cost of owning and operating a mobile phone and to bring the benefits of mobile telephony to people in emerging markets. Today, we are expanding that vision by introducing a number of devices and services that aim to bring the power of the Internet to these markets as well," says Robert Andersson, Executive Vice President, Devices, Nokia. "The mobile device and the Internet are a powerful combination in connecting people with each other, accessing information, news, entertainment and sharing. By introducing products and services that are affordable, relevant and easy-to-use, we believe Nokia can fuel the growth of the Internet in emerging markets through mobility."

Premium looks and practicality are the hallmarks of the Nokia 2330 classic. This affordable device support Mail on Ovi and Nokia Life Tools. In addition, the Nokia 2330 classic offers an FM radio with recording and an Internet browser. The Nokia 2330 classic is also equipped with an integrated camera. The Nokia 2330 classic is available for purchase in Pakistan with an estimated retail price of 6400 Pakistani Rupees.
