

Your Place In Aviation Career Day and Open House

Experience the joy of flight in a small airplane. Discover aviation paths and talk to local representatives about career training and how to get started.

July 1, 2009 - [PRLog](#) -- "Your Place in Aviation"

Career Day and Open House

Albuquerque Sunport – July 12, 2009

Del Sol Aviation, Cutter Aviation Charter Services, Enchantment Helicopters, UNM Lifeguard, Seven Bar Flying Service, Central New Mexico Community College (CNM) Aviation Department, Embry-Riddle Aeronautical University, NM Army and Air National Guard, Santa Fe Top Gun Adventures and New Mexico Department of Transportation Aviation Division are co-hosting the "Your Place in Aviation" Career Day and Open House.

This event will be held on July 12, 2009 from 11:00 AM to 4:00 PM and is open to the public. Del Sol Aviation will provide grilled hot dogs, chips and drinks from 11:30 AM to 1:00 PM. The activities will be conducted at the Cutter Aviation Terminal on the general aviation side of Albuquerque Sunport.

Representatives of participating organizations will be available and eager to discuss career path opportunities, provide table top literature and offer static display aircraft tours. Discovery rides will be offered by Del Sol Aviation, Enchantment Helicopters, and Santa Fe Top Gun Adventures at special rates. The interest in aviation related careers is expected to receive a boost from projects like Spaceport America combined with nationwide projections for an evolving need to train the next generation of aviation professionals. "One of the key components to the Governor's economic initiatives is the development of the aviation industry. We are so fortunate to have events such as this to help encourage the younger generations to learn and take an interest in aviation" stated Fred Mondragon, Cabinet Secretary for New Mexico Economic Development.

###

Learn to fly and find your place in the sky! One of New Mexico's newest flying school offers an opportunity for basic and advanced flight training with certified flight instructors. Del Sol Aviation offers training to achieve recreational pilot skills, private pilot certification, instrument rating training, commercial pilot training, and certified flight instructor training in a single engine-land aircraft.

Del Sol Aviation currently offers three single engine aircraft. One is a Liberty XL2 which contains an advanced design in aerodynamics with automatic engine controls and can exceed over 120 miles on a single gallon of fuel. Two aircraft are Pipers, one is a Cherokee 140 and the second is an Arrow II 200. Sign-up today for an introductory discovery flight for \$99.00. The discovery flight provides a preflight introduction, flight and engine orientation, hands on the yoke experience with a demonstration of training maneuvers.
