July 16, 2009 - [PRLog](#) -- Do you or your organization need extra cash? Gold Refinery of San Diego now holds gold parties and does fundraising. By working with Gold Refinery of San Diego you and your organization will get the much needed cash fast.

Gold Refinery of San Diego normally is open to the public and buys gold bars, gold jewelry, Chinese gold, scrap gold, gold coins, dental gold, white gold, yellow gold, etc. They pay the most cash for gold in all of San Diego. If people need cash fast for their gold they come here. The buying office is located at 5945 Mission Gorge Rd, San Diego, CA, 92120.

Gold Refinery of San Diego is now branching out and helping organizations raise money for what they need. Schools, churches, clubs, etc. can all greatly benefit by partnering with Gold Refinery of San Diego for much needed fundraising. The organization just needs to collect the members' gold (bars, jewelry, coins, etc.) and bring it into the buying office. Gold Refinery of San Diego will then pay cash to the organization for all of the gold plus give them a percentage from any profits made. This is a no risk, quick way to receive a lot of cash quickly. If you or your organization are interested please visit us at www.sdgoldrefinery.com or call us at 619-516-GOLD.

If you do not need to do fundraising and just need a little extra money for yourself, Gold Refinery of San Diego is happy to help you throw a Gold Party at our buying office. To make money from a Gold party all you need to do is invite a few friends into the buying office and have them bring in their gold. During the party, the gold will be weighed and tested. Each person will be paid for their gold in cash. After the party all of the profits will be added up and the host will receive a percentage of the profits. It's that easy! All you need to do is invite your friends to a party they will get cash at for their gold and you get paid! If you are interested in throwing a Gold Party please visit us at www.sdgoldrefinery.com or call us at (619) 516-GOLD.

Gold Refinery of San Diego is also looking to buy more Chinese gold, so if you have any or know anyone who does, Gold Refinery of San Diego will pay top dollar for it!
