Fire Star'ter Lighter fluid is also available to get the party started.
- The Dallas Cowboys BBQ sauces, manufactured by Q Masters of Dallas, Texas, comes in both Original and Bold & Spicy flavors. These sauces took top prizes at the Kansas City Royal BBQ Contest last year.
- Orchids Paper Products' Tackle Towels feature the Cowboys Star as a border print and are strong, absorbent, and competitively priced.
- The Dallas Cowboy Blue Cutlery Pack made by Acadian Crossing Consumer Products offers cutlery wrapped individually with a napkin for easy 'away from home' use.
- Kleenhanz, another Texas company, makes a hand wipe that's the next best thing to soap and water. The wipes kill 99% of germs including MRSA and does not contain alcohol. They are individually wrapped for your convenience, safety, and freshness.
- Available in October and just in time for fall, Dallas Cowboys fire logs and fire starter kits will be great for watching the games at home when the weather changes. These products are 100% Natural and from 100% recycled material, producing lower particulate matter emissions than firewood.
