

Pandora Jewelry at Diva Divine

Diva Divine Boutique in Scottsdale AZ. features Pandora Jewelry.

Aug. 28, 2009 - [PRLog](#) -- PANDORA is perhaps known best for its modern twist on the classic charm bracelet. In 1999, PANDORA introduced its patented charm bracelet to the Danish market, and the bracelets quickly became popular all across Europe and now America. PANDORA bracelets have a patented threading system that allows charms to be placed, added and rearranged, by the wearer. PANDORA has created more than 800 handcrafted charms. Charms are handcrafted and available in sterling silver, 14k gold and murano glass, sometimes with semi-precious stones or precious gems.

PANDORA also donates a portion of proceeds from some charms to nonprofit partners, including Susan G. Komen for the Cure and the Institute for OneWorld Health.
