Sept. 6, 2009 - [PRLog](#) -- LLD Specialty Sales Presents

"Antiques in Pineville"

Our first Pennsylvania event!

Remember when you used to go out on a weekend with an empty van and come home loaded—and you hadn't spent all your money? Those days are being revived by LLD Specialty Sales with a gigantic tag sale of all sorts of great old stuff, beginning Thursday, September 24 at 9 a.m. in Pineville, PA., on Rt 413.

This will be a huge four day selling event that must clear out 30 years of accumulation from a fine old stone house with a basement and attic, plus a large adjacent barn and space at a local storage facility. Antiques and collectibles are everywhere on the property, and highlights of the sale include an impressive assortment of decorative wood used for back bars and restaurant interiors, quantities of antique advertising, signs, cabinets, frames and ephemera used for restaurant décor, crates and crates filled with builders' and furniture hardware, plumbing, decorative iron and brass, and lighting and lighting parts, plus scales, hundreds of frames, furniture, garden and architectural items, decorative glass and beveled mirrors, stacks of aged wood, garden and workshop tools, PA primitives, hundreds of small glass jars filled with thousands of critical parts for antiques projects, old National cash registers and parts, apothecaries. . . . the list goes on and on....

The address of this extraordinary tag sale is 1018 Durham Road, Pineville, PA, 18946, which is State Road 413, just south of the Pineville Inn. The owners of the property started in San Francisco, designing restaurant and bar interiors using antiques and advertising. After migrating east in the 1980s they continued to buy, sell, and accumulate antiques.

Now they are moving South and everything must be cleared out—so if you are an antiques dealer, collector, crafter, designer, or someone who loves to search for the odd and unusual—you must attend this tag sale.

Parking will be one site, with police directing traffic on Rt. 413. Admission will be by numbered cards which will be available starting at 7 a.m. on the opening day of the sale. A concession stand will offer drinks and snacks. Purchases can be left on site for pick-up over the weekend.
