

## California Construction Center: Your Professional Tex-cote Contractor!

*Would you like your home to look the way you've always wanted it to? California Construction Center can professionally add Tex-cote and whatever else your home may need!*

**Oct. 1, 2009 - [PRLog](#)** -- When people see the outside of your home, what impression do you think the look of the home gives them? Treat your home to an exterior makeover and improve the look of your home! One of the best ways to improve the exterior look of your home is to use Tex-cote on your walls. Tex-cote is a new type of wall covering designed to be more durable, attractive, and environmentally friendly than ordinary paint. For high quality Tex-cote application, you can trust California Construction Center to make your home everything you want it to be.

Would you like your home to look the way you've always wanted it to? California Construction Center can professionally add Tex-cote and whatever else your home may need! We guarantee that the services we provide your home will be nothing less than spectacular.

Call us today to get your free estimate and consultation: 1-800-372-4080

Whether the project is building a new home or simply remodeling an existing room, California Construction Center will take you step by step in creating exactly what you desire.
