

The Chic Monogram meets Southern Tradition in this charming Boutique

Ft Myers, FL. The Chic Monogram announces the grand opening of its online store, which offers traditional and trendy monogrammed and personalized clothing, gifts, paper goods, and home goods.

Nov. 24, 2009 - [PRLog](#) -- Owner Sondra Best says she has always loved monogrammed and personalized items for herself, her husband, her kids, and for gifts. She says it just adds a bit of a personal touch to take the extra time to buy someone a gift that shows that you put some thought into it.

The Chic Monogram offers personalized stationery, unique clothing, personalized blankets, Hand Stamped Jewelry, Luna B Tees for kids, Personalized preppy plates, Monogrammed Car Decals, Fairy Wonderful Tutus, and much much more.

Whether its, a day at the beach or a birthday party, kids always look a little bit better when they wear a monogrammed dress or shirt, or when you send a monogrammed note as a thank you for some special good deed a friend did.

That's why she created The Chic Monogram, just a place you can go and get all those special personalized touches for yourself and for gift-giving, a little lagniappe if you will, a little something extra.

It takes us back to the Old South when stationery was engraved, handkerchiefs were monogrammed, men opened doors for women, and occasions were lavishly celebrated with the good china and silver and fresh flowers from the garden. She hope it takes you there too. <http://www.thechicmonogram.com>
