

## Get Free Air Freight Services Quotes Instantly with Amerijet

*Amerijet's newly updated website allows visitors to get an instant quote for their shipment*

**Dec. 4, 2009** - [PRLog](#) -- Amerijet International, Inc. is proud to announce that customers can now obtain a free shipping quote and pay online instantly through the newly upgraded Amerijet website. This makes it easier for shippers to shop for transportation services and compare shipping quotes. The new site offers visitors to obtain air freight services and ocean freight services quotes to more than 70 countries in the Caribbean, South and Central America, Mexico, Europe, Asia and the Middle East.

To obtain a free quote for Amerijet's air freight services, customers need to simply visit [www.amerijet.com](http://www.amerijet.com). Here, the visitor will click on the "Quick Quote" link on the left-hand side of the website.

The air freight services free quote form requires shippers to input their contact information, the ship from and ship to data, which air freight service they desire (express, standard, small package, etc.), and general information about their package. The shipper will then receive a quick quote detailing the costs they can expect to pay for their shipment. The entire process takes just seconds.

All shipping quotes obtained through the Amerijet website come with no obligation, and should the customer have any further questions, they can contact Amerijet's customer service through the website or by phone.

The newly upgraded Amerijet website also offers 24/7 real-time tracking of shipments, a thorough overview of all ocean and air freight services, and detailed information about Amerijet's history as a leading air freight company.

Amerijet offers air freight shipping for a wide range of goods. Customers can ship vehicles, hazardous materials, live animals, oversized shipments, household goods, perishables, dry goods, and much more to destinations throughout the world. For more information, please visit <http://www.amerijet.com>.

Amerijet International, Inc. is a full-service multi-modal transportation and logistics provider, offering international, scheduled all-cargo transport via land, sea, and air. Florida-based Amerijet operates offices all over the world, serving destinations throughout the America's, Mexico, the Caribbean, Europe, Asia, and the Middle East. Amerijet operates Boeing 727-200 and Boeing 767-200 aircraft from its primary hub at Miami International Airport, with 210,000-square-foot export and 100,000-square-foot imports air cargo handling facilities and a 50,000-square-foot ocean cargo facility. A custom-built 10,300 square-foot (227,419 cu. ft.) cooling facility was specially designed to maintain the cool chain integrity of perishables during the transportation process. In addition to the state-of-the-art design features, multiple pre-cooling systems, and 24 hour surveillance, the refrigerated storage space is subdivided into four climate-controlled chambers offering not only refrigerated, but frozen, and chilled storage. For additional information, visit Amerijet on the web at [www.amerijet.com](http://www.amerijet.com).
