**Dec. 18, 2009** - [PRLog](#) -- Anyone who has a little girl knows it is a must "To Have a Tutu"! Tutu's allow little girls to step into another world and become a fairy princess or a beautiful ballerina. As a parent, it can bring you smiles and laughter as you watch your little one twirl around and act as if there are no cares in the world.

At Haute Tutu Boutique you will find the most adorable collection of handmade tutus. There are several TUTU websites in the market, however none compare with Haute Tutu Boutique. After browsing Hautetutuboutique.com I was very impressed with the selection and the tutu presentation. Most of all they were very affordable! Haute Tutu Boutique offers tutu's for Birthdays, Dance Company's, Holidays and dress up. You will also find other fun accessories at Tutu Posh Boutique that your child can add to their tutu. Not to mention an impressive selection of Pettiskirts.

What sets Haute Tutu Boutique apart from the competition? Every Tutu is hand made. By hand made I mean that no machines are used in the production allowing Stephanie, the owner and designer, to pay attention to every detail.

"I want the little girls that get my Tutus to run, dance, and play in them. They need to hold up! I know the happiness that it brings my own daughter and I will provide unmatched quality!" -Stephanie

Haute Tutu Boutiques sets their Tutus apart by including a ribbon wrapped waist. I am so glad that I stumbled upon this amazing find! I was impressed with the number of customers expressing their gratitude on her website.

"I had the opportunity to work with Stephanie the owner. She has been wonderful to work with and loves being able to use her creativity to make tutu's. Stephanie says she delivers all her tutu's Super Fast and she did just that. Each tutu was delivered very quickly and packaged well so that the tutu stayed puffed and neat."-Tasha
