The Kramar Pet Company Supplies All Your Dog Care Needs

Jan. 12, 2010 - [PRLog](#) -- The Kramar Pet Company supplies all your dog care needs including products for:

Tethering: tethering and dog care go hand in hand- if you do not have appropriate tethering products then your dog is at risk of running away, running onto the road or become involved with confrontations with other dogs. Kramar has a large range of tethering products to ensure your dog is safe when out and about. Some of these include:

- the roadie – the dog seatbelt that are certified to human seatbelt standards
- car and walking harnesses – especially good for bigger, stronger dogs who are harder to restrain
- muzzles- they come in a variety of shapes and sizes to ensure comfort
- chains
- retractable leads
- collars – in a fantastic range of colours, patterns and materials
- and lots more

Training: this is a vital part in the development of a happy and healthy dog and should be a large element of your dog care routine. Training teaches your dog to act appropriately so that other people, other dogs and personal property does not get destroyed. Kramar's extensive range of training products includes:

- pee pee pads to help teach your puppy
- training clickers
- containment and fencing systems
- remote training systems, and
- bark controllers

Grooming: your dog care routine should always include grooming to ensure your dog is knot free, healthy and happy. A shiny smooth coat shows a dog cared for, which makes for a dog that cares back. The grooming range of products supplied by Kramar includes:

- clippers
- blades
- brushes and combs
- clippers and scissors

Clothing: dressing your dog is not only a fashion statement but a way to keep small dogs warm during the colder months. If clothing is part of your dog car routine then Kramar's selection will astound you. The variety of materials, styles, and sizes available ensures you will find something to suit your pooch.

Treats & Dental Hygiene: many people's dog care routines forget to include dental hygiene. Why not combine a treat with dental hygiene by choosing one of the products from Kramar's Chew N Kleen range.

The range of rawhide chews are bound to tempt your pup.

Toys: mental stimulation, exercise and companionship are all elements of a happy, healthy, content dog and toys are an excellent way to gain these characteristics in your dogs. The people at Kramar understand what's needed for good dog care, which is why their dog toy range is second to none. It includes:

- Cuddly Companions
- Interactives
- Boredom Busters
- Puppy Pals
- Doggy Dental

If you love to spoil your dog then YOU will be spoilt for choice at Kramar.
