

## God's Beauty, Relaxation and Natural Spa Treatments are the Recipes for a Beautiful Life.

*Beautiful photography highlights inspirational bible verses. Part two has an array of natural beauty treatments resulting in stress free feelings for women of all ages.*

**Feb. 3, 2010** - [PRLog](#) -- A sprinkling of God's Beauty, a dash of Relaxation, and a generous helping of Natural Spa Treatments are the Recipes for a Beautiful Life.

"Recipes For A Beautiful Life" is about being open to God and His beauty around us. It is also about making ourselves look and feel the best we can through relaxation and spa treatments that can be found in the home.

There are photographs of beautiful landscapes, people of all different ages and ethnicities, all of which are matched up with inspirational Bible verses that correspond with the feeling of the photographs. The second part of the book has skin care, bath treatments, and messages about relaxation. People have told us that they are not only buying books for themselves, but for their friends and relatives, many of whom have never looked inside a Bible.
