Rome Sweet Home launches the Danish website

A new language available on Rome Sweet Home to open to the Danish market . Thousands of Danish customers now can browse the website in their language.

May 25, 2010 - *PRLog* -- After the past releases on Deutsch , French , Spanish and many other languages , now is available on Rome Sweet Home the Danish version of Rome Sweet Home website .

The new language version has been studied by danish mother language and has been updated with new pages as the Lazio section.

The website has been redesigned to better meet the Danish Market and visitors from other countries that want to speak this language.

Rome Sweet Home website provides a full access to accommodation information , prices and availabilities . An easy structure, fast navigation and menu by areas make finding apartments in Rome clearer than before.

En ny sprog til rådighed på Rome Sweet Home til at åbne til det danske marked. Tusindvis af danske kunder nu kan browse på hjemmesiden i deres sprog.

Efter de seneste udgivelser på Deutsch, fransk, spansk og mange andre sprog, er nu tilgængelig på Rome Sweet Home den danske version af Rom Sweet Home hjemmeside.

Rome Sweet Home hjemmeside indeholder en fuld adgang til bolig information, priser og de disponible. En nem struktur, hurtigt navigation og menu ved områder at finde lejligheder i Rom klarere end før.
