**Sept. 3, 2010** - [PRLog](#) -- Plaistow, NH - Total Basement Solutions of New Hampshire has been rewarded as the number two dealer within the Total Basement Finishing international network. They received the award at the 2010 Total Basement Finishing Annual Convention held August 18-20, 2010 in Connecticut.

The 2010 Basement Systems Convention included all-day training on Wednesday and Friday at the headquarters in Seymour, Conn. There was an award ceremony held at the Bushnell Theater in Hartford, Conn. on Thursday evening where all those in attendance heard from guest speaker, Liz Murray who is the face to the Lifetime Emmy nominated movie, "Homeless to Harvard: The Liz Murray Story."

Total Basement Solutions of New Hampshire is the sister company of Basement Systems New Hampshire, which is a member of the Basement Systems, Inc. international network of nearly 300 dealers in six countries. This could become a great combination. Once a basement has been waterproofed it can be finished by the same trusted group of contractors being led by Jim Berube.

Berube has been a part of the Basement Systems network for ten years and has been the owner of the New Hampshire location for the past five years.

Total Basement Finishing is the finishing division of the internationally renowned Basement Systems, Inc. network which hails as the largest basement waterproofing network in the world. TBF has provided basement solutions for over 20 years.

The Basement Systems, Inc. network is an international network of the world's finest basement waterproofing experts. The network is an industry leader with 300 contractors that specialize in basement and crawl space waterproofing, 25 patented products, and 22 quality and innovative prizes.
