

RightWave CEO earns Owler 2017 Top-Rated CEO Award

Anurag Khemka leads Marketing Automation as a Service (MaaS™) firm serving Silicon Valley

SAN JOSE, Calif. - June 28, 2017 - [PRLog](#) -- For the first time, Owler is honoring the top-rated CEOs on its platform. CEOs are rated by members of the Owler community who have collectively contributed more than a quarter million ratings this year. Owler analyzed those ratings, ultimately distributing 1,000 awards to the highest-rated CEOs from over 167,000 CEOs on Owler. Winners span 50 cities and 25 industries worldwide.

"The 2017 Owler Top-Rated CEO Awards are a true market view of the most esteemed CEOs," said Jim Fowler, CEO at Owler. "These winners are truly the best of breed: they beat out the other 99.4 percent of leaders on our platform to win a coveted 2017 Owler Top-Rated CEO Award."

Anurag is in good company, making the list alongside leaders of Salesforce, LinkedIn, and Netflix. He is a Silicon Valley veteran and a pioneer in the Marketing Automation space. In 1996, he founded MarketFirst Software and developed the first enterprise Marketing Automation solution that integrated email and web response in execution of event-triggered automated marketing campaigns. Anurag has a B.Tech. in Electrical Engineering from the Indian Institute of Technology, Delhi, and an MS in Computer Science from the University of Southwestern Louisiana.

Anurag credits RightWave's team of marketing and technology professionals for making it possible to earn this award. This team brings a wealth of experience in the delivery of business operations, strategy, security, marketing, and eMarketing consulting services. At RightWave, every project and engagement benefits from this knowledge and expertise of the staff.
