Former Assistant Secretary of Labor for EBSA Forms New Consultancy

Preston Rutledge — former Assistant Secretary of Labor for the Employee Benefits Security Administration (EBSA) — is the Founder and Principal of Rutledge Policy Group, LLC, a new consultancy based in Washington, DC.

"We founded this firm to provide non-partisan, business-centric knowledge of current regulatory trends and their future implications in the areas of retirement savings and employee benefits," state Rutledge. "Despite the abundance of lobbying, legal, and tax advisory firms," he notes, "there are too few reliable resources to help companies stay ahead of an ever-changing legal and regulatory landscape. That's why we created Rutledge Policy Group."

**Rutledge Policy Group's expertise focuses on retirement savings and investment, employment-based health coverage, taxation, employee benefits and executive compensation, environmental, social and governance (ESG) investing, and insurance.**

**In addition to his many notable bi-partisan legislative and regulatory achievements, Founder and Principal Preston Rutledge has an uncommon combination of expertise both in legal and tax matters. He is also a sought-after speaker in the areas of retirement, health plans, taxation, and ESG investing. <https://www.rutledgepolicy.com/>**
